In Our Community

Dalhousie Pathways

Hello all residents of Dalhousie! Recently, we have received feedback about the lanes and pathways running through our neighbourhood. Dalhousie is fortunate to have such a unique path system that connects the whole community, but with these pathways comes maintenance, safety, and boundary concerns. These pathways that run between properties can become hazardous if shrubs, bushes and trees are not properly tended to. Fences and gates are the property owners responsibility to maintain and care for, but please keep in mind, they are also there to divide public areas from private areas; if you are enjoying the pathways please stay on the paths and respect our residents yards and property.

Finally, if there are any improvements you would like to see, please share your comments and concerns with the city through 311. 311 can be reached by telephone and also through a convenient app that can pinpoint locations in the city and include a picture of whatever issue you would like to address. With each call or contact, you will be given a reference number that you can follow up with if you feel your concern has not been met.

Dalhousie Community Preschool News...

Greetings and Happy Summer!!

We are excited to announce that we are rebranding! As part of our rebranding strategy, our name will change from Dalhousie Community Playschool to Dalhousie Community Preschool. WHY? It all began with the thought that our name does not accurately reflect our programs, while we believe in play-based learning, we are a preschool and not a playschool. We are an early childhood program, run by professionally trained adults, which focuses on educating children and preparing them for kindergarten.

Along with our name change we have decided that it is time for a logo rebrand. You will be seeing our rebranded signs around the Community shortly.

Do you know a preschool-aged child? Are you looking for a place where they can grow and learn at their own pace, in an environment where it is safe to explore and discover, where adventure awaits and activities are designed to fuel creativity? You can find that here! Please contact registrar@dalhousiecommunityplayschool.com, call 403-286-2339 or visit www.dcpreschool.ca or www.dalhousieplayschool.blogspot.com. We would love to answer your questions. Registration for the 2019/2020 school year is open. We currently run morning and afternoon programs for 3 and 4 year olds.

We will have some “blackout” dates due to school – once we have confirmation on the dates, we will post them on our website and in the Digest. Hope to see you in the fall!

Zumba

Zumba is a adult drop-in program offered at the DCA for people of all ages and abilities. Kim is a Zumba Gold instructor and has been teaching for the DCA for a number of years. Below are a few more details about the program:

Pickleball

We are glad that so many of you had taken the opportunity to learn the basics of pickleball at our FREE workshops that were held at the DCA this spring! We are hoping to continue to have more workshops later this summer/fall – stay tuned for more dates and times!

Are you curious as to what this “pickleball” game is? Have you noticed that there are usually people playing it every morning on the courts at the Dalhousie Community Centre as you drive by H.D. Cartwright? In short, pickleball is a paddle ball game that is a bit of a combination between tennis, ping-pong, and badminton. It is played with a short racquet than a tennis racquet, played on the same surface as a tennis match – however a smaller court size (we even have a few courts marked exclusively for pickleball!). It is played with a plastic ball with holes, much like a wiffle ball. It is a sport that is played by all ages!

If you don't have your own equipment, or would like to play with some more people, we suggest you contact the Calgary Pickleball Club at info@calgarypickleballclub.ca.
