So Many Reasons to be a Casino Volunteer

How many times have you handed out more than \$100,000 cash in one night? It's a pretty incredible experience and it happened to me when I was a volunteer cashier for a charity several years ago. In fact, I handed out over \$127,000 including \$29,000 to one person!

Being a cashier is only one of 5 volunteer positions, the others being Manager, Banker, Chip Runner, Money Counter. Each day, there are 21 (ironically!) volunteer positions to be filled and the casino runs for two days.

But the main reason it is worthwhile to volunteer at the casino for the Dalhousie Community Association

Dalhousie Community Preschool News

Dalhousie Community Preschool is a co-operative, parent run preschool that operates under the umbrella of the Dalhousie Community Association. It offers a warm and accepting environment with dedicated teachers who treat every child as an individual. Our Reggio Emilia inspired play based program has been serving the community for over 30 years!

- 3 year old program Tues/Thurs Mornings (9:30-11:30AM)
2020/2021 schools fees \$160.00 per month
- 4 year old program Mon/Wed/Fri Mornings (9:30-11:30AM)
2020/2021 school fees \$200 per month
- 3/4 year old program Mon/Wed/Thurs Afternoons (1:00-3:30PM)
This program is a combination of the 3 and 4 year old programs. This class is available as a 2 day a week option (Mon/Wed only) for \$160 per month OR a 3 day a week option (Mon/Wed/Thurs) for \$200 per month

Open house - April. 21st, 2020 from 6:00pm to 7:30pm located at the Dalhousie Community Preschool!!

If you have any inquiries or questions about the preschool or would like a tour of the classroom please contact : registar@dcpreschool.ca or visit www.dcpreschool.ca

(DCA) is that for our efforts, we receive \$40,000- \$60,000. Conservatively, each volunteer is generating over \$100/hour by volunteering for the DCA!

That's not all! In addition, you receive a free meal, drinks and snacks. Finally, you get to meet your neighbours and share your joys or concerns about living in Dalhousie.

There are afternoon shifts, evening shifts and night shifts to work around your other scheduled commitments. You can sign up with your friends and work during the same shift. To volunteer contact Ron McKellar at 403-999-9911 or email rmckellar@procyonenergy.ca.

DALHOUSIE
COMMUNITY CENTRE

SAVE THE DATE!

Do you have a picture that represents what Dalhousie means to you?

Here at the Dalhousie Community Association, we love connecting with our community members and seeing what Dalhousie means to them. We want to bring all the community spirit into the facility and put what Dalhousie means to you on display! We want YOU to submit your photos of Dalhousie that show what Dalhousie means to you. This could be a picture of you walking in our greenspaces, pictures of sunsets, etc. Send us your favorite picture of the Dalhousie Community and we will print and frame it and hang it in our facility for all community members to enjoy! With your picture, please send us a description of what the photo is about, and how it reflects our community. The deadline is June 1st, 2020.

The DCA Needs a New Logo!

We are looking to upgrade our community logo, and we're reaching out to our residents for help! Your submission can be either a full logo design, or bits and pieces of logo components (for example, a tree symbol that represents our wonderful greenspaces, or possibly a font that embodies the Dalhousie community). We want our residents to show us how they see Dalhousie. Everybody who submits will be automatically placed in a draw for one of 3 \$100 gift cards (Safeway, Co-op, Canadian Tire). Send us your suggestions by May 1st, 2020.

Employee of the Month

Yang Yang

Congratulations to our staff Yang Yang for being selected as Employee of the Month for March 2020. Yang Yang has been working hard within all programs and her dedication to the Field of Early Childhood Education shows in her daily work. Remarkable as she is, Yang Yang has NEVER missed a day of work and recently earned her Level 3 in Child Care Certification through Professional Development and Upgrading at Bow Valley College. As a New Child Development Supervisor in our Dalhousie Elementary (Spanish) School Program, Yang Yang has earned her "Spot to the Top". Way to go Yang Yang!

Why Food Scraps are Too Good to Waste

Did you know that food scraps and yard waste do NOT turn into soil in the landfill? Instead, it sits for a very long time and slowly breaks down, creating leachate (a toxic liquid that needs to be treated) and greenhouse gases like methane.

Pictured here are items from the 1970s, uncovered at a Calgary landfill almost 40 years later. These chicken bones, grass clippings and newspapers look very much the same as they did when they were put in the garbage, taking up valuable landfill space and creating harmful emissions.

Composting your food scraps and yard waste means we can:

- Create nutrient-rich compost to help new plants grow
- Conserves our precious landfill space for future generations
- Prevent harmful environmental emissions

Keep composting Calgary!

Meet your new Indigenous Artists in Residence

Tina Guyani (meaning “Deer Road” in Tsuut’ina) is the artistic collaboration of Glenna Cardinal and Seth Cardinal Dodginghorse. This mother and son duo were displaced from their home and ancestral land on Tsuut’ina Nation by the construction of the SW Calgary ring road in 2014. During their time at a Library, they’ll be researching Calgary’s historic pressure to sell the land and explore how construction affects communities. You can visit the pair in their Level 4 studio at Central Library on Wednesdays from 10:00 am to 2:00 pm, and even become part of their upcoming exhibit by sharing your stories with them. Learn more at calgarylibrary.ca/artists.

Need some space?

Find it at the Library! Whether you’re looking for a place to host a book club or condo board meeting, or you’re organizing a study group or community gathering, the Library has you covered. You can use your free

Library card to book meeting spaces in 20 different locations for free. Every room is different, and offers an array of amenities, from workstations, to audio-visual connections and displays. Looking to create the next great podcast, web series, or video blog? We have specialized creative studios available to book as well. Get started today at calgarylibrary.ca/room-booking.

It’s Volunteer Week!

April 19-25 is National Volunteer Week. In 2019, 3,910 Library volunteers gave over 100,000 hours of aid to Calgarians, helping more than 85,000 patrons learn new skills, find information, explore technology, and make stories come to life. We couldn’t do what we do without the help of our volunteers, whose time and energy are valued at over \$3 million annually. If you want to make a difference in the lives of Calgarians, consider joining our team at calgarylibrary.ca/volunteer.
